

2026 Giving Guide

Montana State Employee Charitable Giving Campaign

Thanks for giving

SECGC: State Employee Charitable Giving Campaign

Powered by the People Who Serve

Thank you for being part of the longstanding tradition of supporting nonprofits across Montana. In the last 36 years, state employees have raised nearly \$12 million for nonprofits, funding that strengthens every corner of our great state.

The State Employee Charitable Giving Campaign (SECGC) is in its 36th year, and once again we invite you to make an impact by donating to your favorite nonprofits through workplace giving.

Your Impact Is Big

As a state employee, you make Montana stronger—not only through your service every day, but also through your generosity. Studies show that each dollar donated through SECGC generates a \$3 economic impact. That means together, employees have created more than \$33.6 million in benefits for Montana communities. That's no small thing and not just numbers.

In action, that's real meals and food to bolster food security in communities, positive impacts to create safe housing and support health programs, ensuring Montanans have clean water, and bettering services to youth and veterans—made possible because of your support.

How to Give

- **Click-and-Give:** Visit secgc.mt.gov to donate online.
- **Payroll Deduction:** Give a little each paycheck and watch it add up.
- **One-Time Donation:** Contribute by cash, check, debit or credit card.

The easiest way to give is online using Click-and-Give. Paper pledge forms are available through your department coordinator.

Every Dollar Matters

If you're new, welcome! Unsure how much to give? Consider starting with one hour's pay per pay period—or choose an amount that fits your budget. Whether \$5 or \$50, it all adds up to life-changing impact.

Incentives and Prizes for Donors

Weekly prize drawings are offered throughout the campaign, all thanks to generous businesses and nonprofits across Montana. Winners will be announced every Monday via email and posted on the SECGC Facebook page. Last year, employees contributed over \$364,000. This year, our goal is to break through the \$400,000 mark—which would mean a \$1.2 million community impact statewide.

So, will you be part of the movement?

Why Giving Matters

For many nonprofits, SECGC donations provide steady, reliable funding that keeps lights on and maintains strong programs. From youth mentorship and food security to environmental protection and veteran support, Montana nonprofit organizations are counting on you to give.

We're Stronger Together

SECGC is much more than a campaign. It's a movement and a reflection of how deeply Montana's state employees care about their communities. By giving, you're donating and making critical positive impacts—you're giving people a hand up, creating hope, and you're helping build a kinder, more connected Montana.

Give to make Montana stronger.

Learn more and give at charitablegiving.mt.gov.

Prizes for 2026

We have many amazing prizes this year!

Our beloved universities donated women's and men's Cat/Griz basketball tickets, and we have football tickets too!

We're giving away prize packages that include lodging, food and an activity in multiple cities: Bozeman, White Sulphur Springs and Great Falls.

Lucky folks will win 2 tickets to a show at Grandstreet Theatre, 2 tickets to Shakey Graves at The Wilma, 2 tickets to a ghost hunt at The Old Montana Prison, and 2 Montana Motorcycle Rider Safety gift certificates for a course anywhere in the state.

Other prizes include gift cards from businesses such as Scheels, Cotton Top Pastries, Blackfoot River Brewing, Bayern Brewing and Big Dipper Missoula.

Give early and give often—the earlier you give, the better your chances are to win a prize.
