Comments received before 5 p.m. the day before the meeting will be given to taskforce members during the meeting. Comments received after that time will be sent to the taskforce members after the meeting.

**Public comment provided in person or remotely at a taskforce meeting is a public record that is recorded, archived, and available on the Internet. Public comment submitted in writing at a council meeting is a public record that will be posted to the Department of Administration website as part of the minutes log for the taskforce meeting.
